

## STUDENT COUNCIL QUESTIONNAIRE

### Overview:

We are forming a ***Student Council*** to provide student leadership for our Young Adult ministry. Depending on the number of applicants, not everyone who applies will necessarily serve in this capacity. Answering the following questions will certainly help determine where you would best be able to serve this ministry. There are a few simple guidelines that will help direct this team:

- The Student Council (SC) will host two events each school year, including the New Year's Eve Lock-In and one spring event. The SC can recommend other events as well, but will have primary leadership of at least these two.
- We are asking students to consider serving on the group for two-years. Depending on the number of applications in future years, we will limit each student to serving two-years to maximize participation.
- The SC will be limited to 6-7 people. Each person, however, will be required to seek out volunteers and to build *Action Teams* to expand student participation beyond those on the council itself.
- Once the SC is formed, it will choose its own President, who will have some additional responsibilities to lead the team, communicate with Jesse and make sure the team is accomplishing its goals.
